

British Taxation Perspectives

Name: _____

Objective:

1. To understand the perspectives of the colonists and the British government concerning colonial taxation policies.
2. To understand how the French and Indian War affected the relationship of the colonists and the British.

Step 1: Read about the Proclamation of 1763, the Stamp Act, the Quartering Act, and the Townshend Acts in the History Alive! Book (page 66-68.)

Step 2: As you read, complete the following chart to help understand the perspectives of both groups.

Description of British Actions	British Perspective	Colonial Perspective
Proclamation of 1763		
Stamp Act		
Quartering Act		
Townshend Acts		

Modern Boycotts

Explore the Modern Consumer Boycotts list (<http://www.ethicalconsumer.org/boycotts/boycottlist.aspx>) and read about three different boycotts currently in action. As you read, complete the handout.

1. What is a boycott? Define it in your own words.

Who is the boycott against?	Why has the company or product been boycotted?	In this case, do you think a boycott will be effective?
2.		
3.		
4.
